Introductory

The Glendale Directory Co., publishers of this Directory, present to the public this, their Twenty-fourth Annual Edition with the hope tha it may really fulfill its mission.

In the first section of the book (the householders guide) the Postal Zone Number appears after the name of street as in 1944 issuse.

From the number of names in the Directory this year we estimate the population to be 107,212, a large increase since 1940 when the Federal census was taken.

The last section of the book is a complete catalog of the city's business, professional and industrial life generally.

Names appearing in **Bold Face** type are those whose cooperation has made this work possible.

We tender them hearty thanks.

Yours very truly,

GLENDALÉ DIRECTORY CO.
